

CAPABILITIES STATEMENT

COMPANY OVERVIEW

A&D Solutions is a woman owned management consulting firm specializing in environmental social governance solutions for your business and community. By getting to the roots of the problem we find realistic solutions that are efficient and sustainable while enhancing your triple bottom line and meeting state and federal regulations. We specialize in being creative, resourceful and finding low-cost sustainable solutions to current challenges.

SERVICES

- Supporting environmental, social and good governance integration, promoting stewardship
- Climate stewardship, energy, and sustainability management
- Citizen engagement, community education, outreach and awareness campaigns
- Project management, research, grant and report writing services

PAST PERFORMANCE

- Consultation for city advisory committees, national environmental networks, non-profits, refugees and homeless outreach.
- Energy Conservation and Demand Side Management projects with Toronto Hydro and Nova Scotia Power
- Transportation Demand Management for York Region Public Transit System
- Community development and civil rights projects with USAID (United States Agency for International Development) and European Union (EU)

DIFFERENTIATORS

- More than 15 years project management experience working with different donors and governmental agencies, non-profits and environmental organizations
- Developed citizen engagement and sustainability criteria to foster sustainable governance and opportunities for civic engagement in governance
- Export/International experience (Canada, Middle East)
- Extensive environmental education (B.Sc. in Environmental Health and M.E.S. in Environment and Resource Studies)
- Worked with utilities, transportation agencies, energy and stewardship projects.
